

Engineered Stuff Privacy Policy

We do not share customer data with third parties, and we do not send unsolicited email. Our apps and websites do not collect personally identifiable information. Our systems do not require the use of cookies, and we do not use tracking beacons or other non-anonymous persistent unique identifiers.

Our systems may collect non-personally-identifying information such as Internet Protocol (I.P.) address, operating system, and browser type. We use the non-personally-identifying information we collect to quantify and improve results of our marketing and product development efforts.
